

## Keck Has Called (Sung to the tune of "Deck the Halls")

-----

Keck has called and they're not jolly,  
Ha ha ha ha ha, ha ha ha ha,  
Mask insertion's looking faulty,  
Ha ha ha ha, ha ha ha ha ha.

Can the Galils be reloaded?  
Ha ha ha ha ha, ha ha ha ha,  
Is the software safely coded?  
Ha ha ha ha ha, ha ha ha ha.

Have the masks been milled correctly?  
He he he he he, he he he he,  
Is the mill stock very bendy?  
He he he he he, he he he he.

Is the leadscrew turning smoothly?  
He he he he he, he he he he.  
Are the Bimbos acting rudely?  
He he he he he, he he he he.

Does the motor need new brushes?  
Ho ho ho ho ho, ho ho ho ho,  
Does the mask lack final touches?  
Ho ho ho ho ho, ho ho ho ho.

Are there just too many slitlets?  
Ho ho ho ho ho, ho ho ho ho.  
Should this mask be on the hit list?  
Ho ho ho ho ho, ho ho ho ho.
