FROM SAN FRANCISCO AIRPORT TO CAMPUS:

Distance from the San Francisco Airport to Santa Cruz: about 66 miles
Highway 101 South, towards San Jose
Highway 880 South, which will change its name to Highway 17. The road will become a mountain freeway.
Highway 17 ends in Santa Cruz
When you reach Santa Cruz, continue on Highway 1, following the signs to Half Moon Bay. Highway 1 will no longer be a freeway, but will become a city street as you take a right turn onto Mission Street.
Turn right onto Bay (Look for MacDonald's on the left. The next right turn will be Bay)
Follow Bay to the entrance of campus at High Street. Enter the campus.

CAMPUS DROP OFF LOCATION:

Follow Bay to the entrance of campus at High Street. Enter the campus.
Bay Street will become "Coolidge Drive".
Turn LEFT at the second light, which is Hagar Dr. Go about 2 miles. Hagar will dead end at McLaughlin Drive.
Turn LEFT onto McLaughlin Drive. Continue and drive PAST the blinking red light at College 10.
Take the NEXT LEFT onto the service entrance road. There's lots of construction going on! Drive straight ahead, and the Interdisciplinary Sciences Building (ISB) will appear in front of you.
Turn LEFT, and drive all around the ISB, into the parking area and drive to the end. Directly in front of you is the Center for Adaptive Optics. To your right is the ISB.

WALKING TO KRAFTFEST:

Signs will be posted to direct you to KraftFest.
