General tickets: $40.00
Open seating on either side of the stage • Astronomy talk • Viewing through the 36-inch and 40-inch telescopes • Commemorative wineglass or coffee cup

2014 Music of the Spheres Concert Series: Lick Observatory is hosting its 34th season of Music of the Spheres this summer. Programs include a concert, astronomy lecture, and (weather permitting) viewing through the historic 36-inch Great Lick Refractor and the 40-inch Nickel Reflector telescopes. Knowledgeable local amateur astronomers provide additional telescopes and informal astronomy discussions.

* We regret that due to historic construction of telescope domes and safety concerns, neither of the telescopes are wheelchair accessible at this time. Those having difficulty navigating stairs may also find the telescopes inaccessible.
* Due to safety regulations, children must be at least 8 years of age for admission. No exceptions. Due to late hours the program may also be difficult for children under 12.

Saturday, June 21st
Dave Rocha Jazz
Doors open: 1 hr. prior / Event: 8:30pm
Speaker: Sandra Faber, UC Santa Cruz
Talk: The Thirty-Meter Telescope: California’s Flagship Telescope for the 21st Century

Saturday, July 19th
Ancient Future
Doors open: 1 hr. prior / Event: 8:30pm
Speaker: Geoff Marcy, UC Berkeley
Talk: One Small Step: Other Earths & Intelligent Life in the Universe

Saturday, August 2nd
Golden Bough
Doors open: 1 hr. prior / Event: 8:30pm
Speaker: Alex Filippenko, UC Berkeley
Talk: Frontiers of Astronomy & the Crisis at Lick Observatory

Saturday, August 16th
Great Guitars!
Stevie Coyle & Daniel Roest
Doors open: 1 hr. prior / Event: 8:00pm
Speaker: Chris Fassnacht, UC Davis
Talk: Measuring the Universe with Gravitational Lenses

Summer Visitors Program – Lectures by world-renowned astronomers, observatory history talks and viewing through telescopes (weather permitting) including the 36-inch Great Lick Refractor and 40-inch Nickel Reflector. Tickets $9.50 plus service fee.
