

Directions to Scott & Lynne's Ceremony

(Coming from the San Jose area)

- Take Highway 17 South towards Santa Cruz.
- As you approach Santa Cruz, follow signs for Hwy 1 North/Half Moon Bay.
- Continue to follow Hwy 1 North (Mission Street) all the way through Santa Cruz.
- The last light in Santa Cruz is Western Drive. Continue on Hwy 1 North the **entire way**.
- **From the intersection with Western Drive, Pomponio State Beach is 34.2 miles up Hwy 1. The drive takes 35-40 minutes.**

- If necessary, the last place to get gas is near Gazos Creek State Beach (**before** Pigeon Point Lighthouse).

- Pomponio State Beach is about three miles past Pescadero. (There is a fairly large sign marking Pescadero.)

- Pomponio is easily seen as you descend a slight hill. There is also a brown highway sign identifying the beach.
- **Turn left into the parking area.** Look for our friends who will guide you onto the beach. The ceremony will start by 10am. (Note: If you reach San Gregorio State Beach or the intersection with Hwy 84, you've gone too far.)
